

PUPIL PREMIUM GRANT

The Pupil Premium is an allocation of funding, in addition to main school funding, which schools receive according to the number of children in specific groups. Schools receive Pupil Premium funding for:

- children who have been eligible for free school meals (FSM) at any point in the last 6 years (commonly known as the 'Ever 6' rule)
- children who are looked after i.e. they are in Local Authority Care
- children adopted from care under the Adoption and Children Act 2002 and children who
- have left care under a Special Guardianship or Residence Order
- children recorded as an Ever 4 Service Child or in receipt of a child pension from the Ministry of Defence.

The government awards this funding to help raise achievement for these children. National data shows that as a group, children in these groups have consistently lower educational achievement than those who are not in these groups.

It is up to schools to decide how the Pupil Premium is spent, but this funding should be used to support these children. All schools are required to publish, on their websites, what funding they have received and how the money is being used.

OVERVIEW OF THE SCHOOL

Aims:

At Furzedown we have high expectations and we are ambitious for all of our children. We are determined that our children are given every chance to realise their full potential and enjoy their time in primary school.

We believe that children will flourish if we have provided the opportunities :

- To be confident in themselves as learners.
- For early identification and support of pupil's individual needs.
- To engage and involve parents.
- To take part in an exciting and stimulating curriculum.
- To take part in extra-curricular activities.
- To learn through experiences in and out of the classroom.
- To support the local community.
