

Sports Premium
September 2015 – July 2016

How we are planning to use £9760

What we're planning	Impact
Buy new gym mats (£3000)	Huge impact. Teachers and children benefitted from more manageable and safer equipment. Used multiple times, every day.
Continue whole school swimming	All KS1 & KS2 children have been able to learn or develop their water skills throughout the year.
Continue embedding Outdoor Adventurous Activities in the curriculum	KS2 children have enjoyed learning a new skill. It has broadened their horizons to what can be on offer, and has developed individual and team skills.
Increase range of sports offered by observing qualified coaches (Lacrosse & Korfball)	Lacrosse and Korfball been very successful for the Year 4's, 5's and 6's. Teachers have shadowed lessons to aid their CPD.
Gym INSED – September 2015	All school staff benefitted from whole staff training from external specialist. Teachers confidence grown and large emphasis been placed on basic gymnastic shapes.
Buy new equipment for Physical Education lessons	Following the training, gymnastics equipment has been bought to facilitate the new ideas and lessons that staff were shown. Children have been able to learn in a more engaging environment.
Hockey INSED 4/11/15	PE staff attended Hockey club by Wandsworth. Offered skills to Y5 & Y6 children who had not previously competed for the school, by offering a club and entering borough competitions.
Dance INSED 29.9.15	Staff CPD fed directly into Dance Week and the Dance Pledge, whole school initiatives to get children active. Teachers were taught how to teach a specific routine.
PE coordinator to attend London Sports Conference to keep up to date & network with other schools.	PE Coordinators have devised a consistent approach to assessing PE across the school. This will allow progress to be tracked more easily.
Sainsburys school sports quality mark applied for, in lieu of participation in sport for the year 2014-15	The sports and clubs that we offer have been deemed to be of a high standard, allowing a high percentage of school children, the opportunity to compete in healthy competitions.
More bicycles bought for children to learn	More children have been able to learn road safety and how to use and maintain their bikes.

Bike-it workshops to encourage children to cycle to school.	Children encouraged not only to cycle more, but also to be aware of nutrition needed for an active lifestyle.
Use of nearby Tooting Athletics track	All children in KS1 and KS2 benefitted from specialist coaching in a range of disciplines, whilst in a professional environment.
Continuing CPD for swimming teachers	Staff practices kept up to date and teaching techniques have been refreshed.
Sport Day resources	Children awarded trophies which can be used year on year and are displayed for the school historical results.
