Reminder: The arrows compare your school to the local authority and England averages for the current year

ii) % Achieving Good Level of Development (Time Series)

IMPORTANT NOTE -
From 2013 **Good Level of Development (GLD)** is defined as a pupil achieving the expected level or better in the first 12 aspects of the EYFSP (see table above). Note that this is not directly comparable with the GLD from 2012 and earlier, which uses a different framework.
