Summer 4
2017

Email addresses.

To save paper and be environmentally friendly, we will be sending out newsletters, trip letters, swimming contributions and any other important information etc. via email.

So could you please ensure we have your up to date email address and check emails regularly. Thanks.

Annual reports to parents

We will also be sending out the children's end of year reports via email.

Please let us know if this is a problem or if you would like a hard copy.

Leavers

We are all very sad to say good bye to long standing members of staff.

Ms Truscott is leaving us to run her own business.

Ms Lound is taking early retirement but will be covering a maternity leave part time in the Autumn.

Ms Felton is taking up a new challenge as a consultant

Mrs Colman is going to work in a school in Clapham. We will miss them all hugely and wish them all every success for the future.

Teachers2parents

We are changing our system for paying dinner money. This will be up and running from the Autumn term.

We will be using the agora system.

Clothing in school

1. Please make sure all clothing is labelled.
2. Children should be wearing comfortable clothes that they can move around in. (Not too short or strappy or too long and restricting.)
3. All children will need a PE kit:- white T shirt and cotton shorts /jogging bottoms and trainers/plimsoles.
4. Swimming trunks for boys need to be lycra and not baggy swim shorts so they do not fill up with air

Scooters and bike safety

Please, please make sure your children take care and are supervised when scooting outside of the school.

They should not be scooting or cycling inside the school.

We will continue to provide scooter and cycling sessions for children next year.

PTA Summer Fair – 1st July

A huge well done to all of you who helped to organise the unbelievably successful school fair; £7300 was taken.

Thank you

Keeping Children safe

Apologies to those parents who are upset about not photographing their children in shows in school; however we have some children in the school who cannot be photographed or filmed because they are at risk and so we do not have permissions. Ms Pouvreau will film the show and is aware who they are so can amend the film.

You will be able to photograph your own child at the end of any performance with their costumes on.

Casting request for boys

A new theatre production of A Christmas carol is being planned for the West End and the casting directors have asked us to circulate the following. If you are interested please let Ms Chappell know.

We are very keen to offer this opportunity to a child that is physically disabled or has a sensory impairment, and with a playing age of 9 (though we would like to keep it fairly open at this stage, seeing boys up to 13). We would love to invite any boys from your school who fit this brief to a workshop towards the end of next week. Please let me know if you have any students that would like to be considered to this exciting opportunity.
