Children not picked up at 3:00

Children finish school at 3:00pm and we expect them to be picked up when they finish.

1. If you know you are running late please phone the office as soon as possible before 3 to let us know.
2. If there are no other options; in an emergency we will provide emergency childcare at a cost of £20 for the session.
3. If you have not phoned we will phone you and if we cannot get through we will phone your emergency contact numbers.
4. If we still get no response from any numbers we will start phoning Social Services and the police at 4:40pm so that the social workers can arrange emergency foster care.

Older, sensible children can walk home by themselves as long as an adult is there to supervise them when they get home. Please let the teachers know you are allowing them to do this.
