

Sports Premium - How we are planning to use £19,500*

September 2017 – July 2018

(Approximate figure changeable with the number of pupils on roll)*

What we're planning	Cost / Impact
Y3 Outdoor Adventurous Activities: <i>Orienteering</i>	£1,000
Y4 Outdoor Adventurous Activities: <i>Outdoor ice-skating</i>	These OAA activities enabled children to try new activities, broadening their horizons and engaging them in an activity new to most.
Y5 Outdoor Adventurous Activities: <i>Kayaking</i>	
Y6 Outdoor Adventurous Activities: <i>Rock Climbing</i>	
PE & Sports equipment to be replenished across the whole school	£1,200
Wandsworth borough sports competitions, of which we entered 52 last year. To include transport, fees and additional staffing.	£500
Continued use of Tooting Bec Athletics Track for KS2 Sports Day	£200 Allowed children to experience a sport specific environment, giving them access to a local venue which may inspire them to compete.
Tooting Netball & Basketball League	£80
McMillan Dance week / Sports relief 2018	
STA Swimming Training for additional staff members	£1,500
STA Lifesaving re-accreditation for current staff members	£---
Outdoor playground gym equipment	£8,000 A massive impact for all children who choose to use it. This new equipment will not only help to engage those who lack participation in daily exercise, but also...promote healthy lifestyles.
OAA on school journey	£1,000
Specialist coaches for Korfball	£800

Wandsworth borough PE Forums	
Competitions against other Wandsworth schools	Promoting 'friendly' competition against other local schools, involving children who wouldn't normally be picked or wouldn't normally put themselves forward for a sports competition.
Funded After School Clubs for selected pupils	£300
New Sunshine Variety Club minibus to be used primarily for Sporting events	£5,000 contribution A huge impact in terms of getting teams to the venues without...

2017/18 Year 6 cohort:

By the end of summer 2018, 58 out of a possible 61 children are able to swim 25 metres efficiently, use a range of strokes effectively and perform a safe self-rescue in line with the National Curriculum requirements.

The remaining 3 children, one of which who joined Furzedown late in the year, have improved water confidence and can swim up to 10 metres with the use of a floatation device.

Nationally at the end of Year 6, 34% of children were overweight or obese. In our school, 29% of children were in that category.

Looking forward to 2018/19, we are considering the following developments...

- Widely developing the school site in order to better promote Learning Outside the Classroom (LoTC) across the whole school.
- Hosting more intra-school competitions within our school.
- Increasing participation and enjoyment of sports and games during playtimes by introducing a weekly challenge.
- Offering Y4 and Y5 the opportunity for a residential trip.
- Increased participation for all pupils by appointing Sports ambassadors who will encourage active playtimes via weekly challenges.
