Interim Reports

We have adapted the report format so we add to it every term. This will apply to all reports from year 1-year 6.

All children's reports will be sent out after 11th November.

We had planned to have face to face meeting slots so we could chat to you but the DFE have advised that this should not be happening.

We are proposing to invite any parent who would like to have a telephone conversation with the teacher, following the issue of the report, to sign up to the Teachers2parents link for a time slot. You will get a text and email after 11th November.

The slots will be available from Monday 16th Nov-Friday 27th November. From 3;30-4:00 3 slots per night.

Lunches - dinner hall

We still need to continue with restricting the number of children in the dining hall. This half term Yr1, 2 and 3 children are going up to the dining hall. The older children will have lunches brought down to them or have packed lunch.

We will review the situation as the government guidance changes.
